## Acoustical Wall Panel

## COST EFFECTIVE SOLUTION FOR BETTER ROOM ACOUSTICS

*Most cost effective solutions for sound reduction and privacy.*

GYPTECH since 1990 have been innovating in the construction market. Our locally manufactured Acoustical Wall Panels are Aramco approved and considered as a beacon of quality. Our acoustical wall panels are designed fully in Australia and assembled in Saudi Arabia. All our acoustical wall panels have been tested against all kind of conditions.

### PRODUCT DETAILS

#### Wooden Acoustical

Combination of elegant looks and sound absorption. Perfect solutions for offices and board rooms.

#### Halls & Cinema Acoustics

We specialized in highly absorbant acoustical wall panels that are designed specifically large halls.

#### Decorative Acoustics

New line of decorative panels provides not only better sound environment but also an elegant look.
